How to Use This Book

Every page has 2 pictures with a missing half.
Find the matching piece and complete them!

1

LOOK

Find the picture with the big ? — that side is missing.

2

COLOR

Color the pieces at the bottom of the page any way you like.

3

CUT

Cut along the dashed lines, starting at the little scissors.

4

PASTE

Glue each piece onto the ? side to finish the picture!

Tips for Grown-ups

- Use child-safe scissors and a glue stick, and stay close while they cut.
- Print single-sided so cutting one page never ruins another.
- Talk about each picture: What is it? Which half is missing? Which colors?
- Wobbly cutting is part of learning — praise the effort, not perfection!
